Delivering
for Croydon

“It is important that we reflect on our past achievements and use the experiences and challenges to create a better world. The contribution of the BAME workforce is visible in all areas of society, from Health, Social Care, Education and Voluntary Services. The positive legacy of the Windrush Generation and all who have contributed to the development of the community must be celebrated for their determination and hard work.”

The Black Business Directory

The Helpful VA in partnership with The Croydon BME Forum launch a Black Business Directory

Croydon BME Forum in partnership with The Helpful VA launched the first edition of the Croydon Black Minority and Ethnic Forum Business Directory in July 2020. The brainchild of Anthony King a successful entertainer and presenter. The directory was created to support, promote and connect black-owned businesses within the Croydon Borough and surrounding regions.

The directory is proving to be a well-timed boost of community spirit in these uncertain times.

Andrew Brown: In the wake of recent global events around black lives matter, the idea of creating a business directory for the black community came to the forefront. So, I contacted The Helpful VA and we got to work on it straight away and the feedback has been very positive.

The Business Directory now boasts over 100 businesses and is looking for new ways to support their growing membership by introducing a 'Spotlight on Business' feature. Interviewing experts in their field and offering business advice to their members.

To find out more about the directory go to the helpfulva.co.uk and cbmeforum.org

THE OCTOBER EDITION IS OUT NOW.

For more information about joining the directory email jm@thehelpfulva.co.uk or info@bmeforum.org
To join the directory, fill out the membership form for free at <https://www.cbmeforum.org/membership-form/>
and then email your business details to jm@thehelpfulva.co.uk

“For Black History Month in Croydon this year, we’re not only reflecting on what has been but we are inspired to use our history to shape the future we want to see. This is why our theme for 2020 is ‘Learning from our past to create an equal future’. We will be celebrating the Black Lives Matter movement and paying tribute to our key workers who worked tirelessly during COVID19 to keep us safe and to keep society moving.

Also, Victory in Europe Day on 8th May 2020 marked 75 years since the war ended officially in Europe. This Black History Month, we celebrate and learn more about those who contributed to the end of WWII and those who were called to rebuild the UK. We are excited to launch this year’s theme and to share the variety of rich, vibrant and educational events taking place online across the borough.”

Andrew Brown (Chief Executive, Croydon BME Forum)

'Lay off me'

A tribute to George Floyd

I cannot breathe
Isn't it enough you hang my forefathers from a tree
The land of the free seems not for me

Lay off me, "I cannot breathe"
Look at this land built by the hands of my ancestors
With their blood, their sweat, their tears;

You emancipated us,
Forty acres and a mule,
But you hate us
You continue to rule, over us;
Lay off me, "I cannot breathe"

You don't see us
To you we don't mean much
We are proud, gifted,
Our ancestors were creators, inventors
The legacy of their work can be seen
in every aspect of life in this land
Yet you continue to deny us

Lay off me "I cannot breathe"
Every day, in every way you show us we don't belong
Our civil rights violated
You mistreat us, you mistrust us
When will it be enough?

Lay off me, "I cannot breathe"
Get off me! let me live!
Get off me! let me see my children grow up
Get off me! let me be a father, a husband, a provider
Get off me! let me breathe

Vivienne Sinclair © May 2020

The statement below explains why I wrote the poem.

"I wrote this Poem as a tribute to George Floyd and all other individuals who have met their death at the hands of law enforcement officers through their wilful actions. George Floyd's death was particularly poignant as it occurred for the world to see and of course brought about the outpouring of indignation and empathy. I was moved to express how it affected me through this poem"

Nurses Association of Jamaica (UK) Book

Nurses Association of Jamaica (UK), [NAJ(UK)] is a non-profitable charity, established 42 years ago. Five of its members co-authored this enlightening book called "Nurses Association of Jamaica (UK) – 40 years of Service". The book represents NAJ(UK) from its inception, its activities and triumphs over adversities in navigating the challenges we faced in the National Health Service. Set in the background of the Social and Political climate from 1978 to 2021 It shares tales of survival and achievements of our Nurses and services to the African/Caribbean Diaspora and health care in UK. Its goal is realised as a legacy to future generations.

For those of you who are familiar with the NHS it will take you down memory lane. For the younger generation they will find it informative and motivate you to appreciate and celebrate the sacrifices and pioneering spirit of the Windrush generation and their contribution to British Society.

The Co-author of this book are:

Paulette Lewis MBE Former President Nurses Association Jamaica (UK)
Dorothy Turner Founder Member
Professor Tony Leiba Patron

Sherill Gregory Executive secretary
Alina Wallace Branch Treasurer

The book produced by Story Terrace Writers refers to it as "one of the most prolific untold stories of the decade". It has had other positive reviews such as a feature in Made in Shoreditch. co.uk as "The most Inspirational Women of the Decade". It was also reviewed in Luxurious Magazine - Life Style Category in the top five books that defined the decade.

It was published by Conscious Dreams Publishing which released it in November 2019. It is now available in two formats, at Waterstones Book stores and can be ordered via Amazon on:
