## School Parking

Officers conducted school patrols outside and around Regina Coeli school this month. A number of drivers were educated around their parking and told to move position. A number of letters were also sent out to owners who believed it was okay to park on double yellows for "five minutes" whilst picking up the children. Number plates were recorded on our system and repeat offenders will be dealt with by way of fine. Officers will be attending schools on the ward again checking drop off and pick up times.
